

Home Health Final Rule, Contractor & Reimbursement Update

Tuesday, January 9, & Wednesday, January 17, 2018
Webinars with Audio Recordings • 9:00-10:30 a.m. CST

Presented By: Melinda Gaboury, CEO Healthcare Provider Solutions, Inc.

Home Health 2018 Final Rule & Contractor Update

January 9, 2018—This webinar will review the details of the 2018 Final Home Health Rule which includes 2018 rates and an update to Value Based Purchasing and HH Quality Reporting Program. This webinar will also review the goal of the ADR/RA & ZPIC audit process. Agencies will learn how to respond to these record requests as well as the subsequent audit findings. The timelines for responses and the recoupment process will be defined. This session will describe likely audit risks for home health agencies and how to monitor those risks. Lastly, this session will assist in providing a checklist for the documentation required to be sent in, but also a checklist of things to review in the chart before sending it in.

Home Health Reimbursement Update

January 17, 2018—The Home Health PPS Regulation for implementation January 2018 will bring about changes to the PPS system, but most importantly, more cuts in reimbursement. The billers and collectors are extremely important to agencies thriving in the current system so do not miss this needed education! Be the first to be current on all Medicare billing regulations implemented in 2018. This webinar will address any current issues related to home health billing and reimbursement and will address all things that the PEPPER report says about your data. Don't miss this eye opener.

Presenter: Melinda Gaboury is co-founder and CEO of Healthcare Provider Solutions, Inc. (HPS), based in Nashville, TN.
