Advocacy – MAHC serves as your voice with the state and federal governments and assists members in becoming effective advocates for home care issues.

Leadership Opportunities – Members may apply their industry expertise through volunteer opportunities within the association such as committee involvement, serving as an instructor or advocacy which may lead to an opportunity to serve on the Board of Directors

MAHC's Associate Members – A valuable resource for you. Our Associate Members choose to be members of MAHC for the same reasons you do: they want to be part of the highest quality home care service possible. You are encouraged to contact our Associate Members first when seeking professional assistance with your business. A complete listing is available at www.homecaremissouri.org (click on "Members' Corner").
