About this Conference

This day-long conference will provide a variety of clinical workshops addressing some of the most critical issues in wound prevention and healing. We are excited to welcome instructors from the talented and highly skilled staff at Boone Hospital Center and Boone Hospital Wound Healing Center. This is a must attend for your clinical staff! Along with education, you will get time to network with product vendors throughout the day!

Vendors & Products

Many of the workshops in this conference will provide you with the opportunity to see wound care products and processes within the classroom. Additionally, product representatives will be available for you to visit with during the morning and at lunch.

Conference Schedule

7:30 – 8:00 AM	Registration, Exhibits & Breakfast
8:00 – 9:00 AM	Wound Assessment & Documentation This session will assist participants in identifying & classifying different types of wounds & documenting appropriately. <i>Zoe Prevette, RN, CWOCN, Wound Nurse Coordinator, Boone Hospital Center</i>
9:00 – 9:10 AM	Break
9:10 – 10:10 AM	Dressings & Ostomy Products: Out With The Old & In With The New This session will provide an overview of wound care dressings & ostomy products, indications & contraindications, application & removal, tips for use & have an opportunity for hands-on with products. <i>Kim Mitchell, RN, BSN, Wound Nurse Coordinator, Boone Hospital Center</i>
10:00 – 10:30 AM	Break & Exhibits
10:30 AM – 12:00 PM	Advanced Assessment & Therapies This session will include advanced assessment techniques & equipment, results & advanced therapies used to treat chronic wounds. <i>Chris Martin, MD, Panel Physician, Boone Hospital Wound Healing Physician</i>

2:30 – 2:45 PM	Break & Exhibits
2:45 – 3:45 PM	Flow To Toe This session will include discussion of real world case studies, featuring patients with limb-threatening ischemia. This session aims to unite medical professions in the mid-Missouri area that are passionately involved in the care of patients with peripheral arterial disease. <i>Michael Brown, MD, Interventional Cardiologist, Missouri Heart Center</i>
3:45 – 4:00 PM	Break & Exhibits
4:00 PM – 5:00 PM	Wound Care Case Studies: Real Wounds, Real Healing This session will include real cases of hard to heal chronic wounds. <i>Kimberly Jamison, MD, FACP, FAPWCA, PCWC, Medical Director, Boone Hospital Wound Healing Center</i>

About Our Faculty

Zoe Prevette, RN, CWOCN is a certified wound, ostomy, and continence nurse with over 10 years experience in wound care and 30 years of nursing experience. She is currently the in-patient Wound Nurse Coordinator at Boone Hospital Center in Columbia, Missouri, providing care and education to the patients and staff.

Kim Mitchell, RN, BSN is the in-patient Wound Nurse Coordinator at Boone Hospital in Columbia, Missouri. She has provided wound care education at home health agencies, nursing homes, acute care facilities and many other venues.

Chris Martin, MD is a panel physician for Boone Hospital Wound Healing Center in Columbia, Missouri. He is a graduate of the University of Colorado School of Medicine who specializes in Internal Medicine, Nephrology and Wound Care. Dr. Martin has a very busy private practice & provides care at Boone Hospital Wound Healing Center three days a week.

Jennifer Anderson, RD, CDE is the Diabetic Education & Nutrition Supervisor at Boone Hospital Center with 18 years of experience.

Michael Brown, MD is an interventional cardiologist specializing in complex coronary intervention, peripheral vascular disease and minimally invasive heart valve procedures at the Missouri Heart Center in Columbia, Missouri. Dr. Brown is board certified in interventional cardiology and general cardiology.

Kimberly Jamison, MD, FACP, FAPWCA, PCWC is the Medical Director for Boone Hospital Wound Healing Center in Columbia, Missouri. She has worked in the area of wound care for more than 20 years.

Conference Location

The Wound Care: Community of Caring conference will be held at the Boone Hospital Conference Center, 1600 E. Broadway, Columbia, Missouri. The conference room is located on the first floor of the hospital near the main entrance & registration desk.
