### ***Home Care Experience***

Your legal questions will be answered by a team of attorneys led by Bob Beachy, Esq., of the firm Van Osdol, Magruder, Erickson & Redmond. Bob Beachy represents home care providers and has provided legal services and education for MAHC for over a decade.

### ***How it Works***

Questions concerning home care business may be discussed by phone with the Legal Hotline attorney. Calls are limited to a 15 minute duration.

### ***Those Complex Legal Issues***

The Hotline is designed to assist you in answering questions requiring a legal opinion. Some problems require more work, research or representation than can be provided over the telephone in 15 minute conversations. If your legal question cannot be answered in a 15 minute call, you may make arrangements with the firm of Van Osdol, Magruder, Erickson & Redmond for additional services, if you prefer.
