2022 Home Care Foundation Scholarship Winners

Kealy Fitzpatrick

Kealy was chosen to receive a \$500.00 scholarship in 2022. Currently a Home Health Aide with Martha's Hands, Kealy became a nurse due to the amount of satisfaction and joy she has obtained over the past 2 years from caregiving for a dementia patient and babysitting young children ranging from 2 to 13 years old. Kealy says, "As a nurse, I will be part of a community that is focused on serving others and positively influencing patients' lives." She strongly desires to be part of a profession that radiates positivity and growth and feels the nursing profession is centered around these qualities. One quote Kealy believes sums up the role of a nurse is, "Being heard is healing, and the gift of presence is powerful". She is currently attending the nursing program at Marquette University, and feels that after only one year of education, she had grown immensely on her knowledge on how to provide the most holistic, effective care possible. Kealy states, "As a nurse, we must learn to step out of our own shoes and always be aware of what we can do to maximize the health and happiness of our patients."
