

Get the most out of your health benefits.

Fact: The average hospital stay in the U.S. costs \$9,700.

With Hosperity, you have access to advocates who can help you navigate the healthcare system. Industry experts can also review, explain and resolve insurance claims and billing issues.

Service Spotlight: Medical Bill Saver

Major issues can pop up with medical bills. The Medical Bill Savers are experts with healthcare insurance and can help negotiate discounts on your medical bills. They will help explain your bills as well as attempt to reduce the costs.

Medical Bill Savers can identify billing and claims processing errors which could reduce your expenses. They can also negotiate provider changes which can provide additional savings.

To use this benefit, call the number on the back of your Hosperity Care Card. The team will call your Provider and attempt to have your bills reduced.
