

**Access Healthcare Providers from anywhere  
and at anytime.**

**Fact:** About 20% of Americans live in rural areas without easy access to primary care or specialist medical services.

Telehealth offers 24/7 access to physicians, nurses and other healthcare providers without waiting rooms or drive time.

### **Service Spotlight: Pharmacy**

Prescriptions can be costly and difficult to find. With the Hosperity Rx network, you will have access to over 60,000 independent and major retail Pharmacies who are competing for your business.

Hosperity Rx can not only locate the best price for your prescriptions but our members typically save 10-85% from most Pharmacies including:

- Walgreens
- CVS
- Target
- Independent Pharmacy
- Rite Aid
- Walmart
